

Privacy Policy

1. Introduction

This Privacy Policy describes how Websome collects, uses, discloses, and protects the personal data of users visiting the website websome.pl, including the websome.pl domain and its subdomains, e.g., www.websome.pl .

Websome is committed to safeguarding privacy and ensuring that users' personal data are processed in accordance with modern security standards and applicable law, in particular the General Data Protection Regulation (GDPR).

2. Data collection and processing

Functional Cookies: The website websome.pl uses functional cookies that are necessary to ensure the proper operation of the Website. These cookies do not collect any personal data and are stored on client device.

Marketing Cookies: The website websome.pl does not currently use marketing cookies.

Contact Form: The Website provides a contact form that allows users to get in touch with Websome for the purpose of requesting a quote, consultation, or other additional information. Personal data submitted via the contact form, such as name, email address, phone number, location, or any other information voluntarily provided by the user, will be used solely to address the submitted request and for customer service purposes.

3. Sharing of Personal Data

Websome does not share personal data with any third parties, except as described in this Privacy Policy or when required to do so by law.

4. Data Security

Users' personal data are protected using appropriate technical and organizational measures designed to prevent unauthorized access, loss, alteration, or disclosure of data. These data are stored on servers provided by a VPS service provider (physical location – Nuremberg), which holds security certifications and ensures compliance with the requirements of the GDPR.

5. Users' rights

Users have rights regarding the processing of their personal data, including the right to access, rectify, delete, restrict processing, and transfer their data. At any time, users may withdraw their consent to the processing of personal data.

6. Contact

Any questions regarding the Privacy Policy of websome.pl or wish to exercise user rights related to personal data should be directed at contact@websome.pl .

7. Changes in Privacy Policy

This Privacy Policy may be updated in the future to reflect changes in applicable laws and practices regarding the processing of personal data. Any changes will be published on this page, and we recommend regularly reviewing the current version of the Policy.

Updates may, in particular, include the introduction of new marketing mechanisms, such as cookies, as well as the sharing of user data with third parties for the purpose of personalizing marketing content across various platforms.
